

Attorney for CHARLES LOBELLO

UNITED STATES OF AMERICA,) Case No. 2:10-cr-324-JCM-NJK

UNOPPOSED MOTION TO EXTEND

SURRENDER DATE

Defendant.

On such short notice, the air fare alone will double in costs. Also, Charles has many third parties to notify as to where he can be contacted in the future and how to care for his 90-year old father who has been hospitalized twice within the past week. At least two weeks (14 days) is requested in order to make the necessary travel arrangements and to give notice and directions to third parties.

Undersigned counsel represents that he spoke with the Marshall's Service on April 9, 2013, and was advised that the notice to Charles was being sent out that day. As stated above, Charles received it

1 on the afternoon of April 10th. Undersigned counsel also has spoken with Government counsel
2 Thomas Flynn, Esq. about these circumstances and he advised that the Government does not oppose a
3 continuance of two-weeks (14 days) for Charles' surrender date..

4 DATED: 11 April 2013

5 Respectfully submitted,

6 /John R. Lusk/
